New Era Of Development

# < Who we are />

We are a creative team of strong developers who are hungry of large and complex projects.

We do not want to eat, sleep and play football with friends.

We want to write code and cover it with tests.

- Youtube Player API

Beautiful landing with lots of animation and creative design.

We used JS Youtube Player Api to control video players on the page when scrolling and CSS3-animation for beautiful animations and transitions.

The advertisement features three Instax Mini 8 cameras in yellow, white, and pink, each with a different photo emerging from its top. The background is a vibrant purple with a bokeh effect of light spots. At the bottom, there is a silhouette of a snowy forest. The text is in Russian and promotes a New Year's gift campaign.
